of Correction

Sir:

Pursuant to 37 CFR 1.323, Applicants submit a Certificate of Correction correcting mistakes made by the Applicants.

In particular, Applicants request that the priority information be corrected as set forth in the attached PTO/SB/44. The current priority information incorrectly lists the immediately preceding priority document (filed May 19, 1994) as U.S. App. No. 08/233,777. The correct application number is 08/246,006, which was filed as a continuation-in-part of 08/233,777. The Certificate corrects this error in the chain of applications.
